AND **VIOLENT OFFENDER** IN A **CONVICTED HATE CRIME**  
**NATHAN BENJAMIN DAMIGO**  
IS CURRENTLY ENROLLED AT CSU STANISLAUS

Damigo wearing a sun cross symbol. This symbol has been widely adapted into white supremacist iconography, and has been used by various hate groups including the KKK.

Arm yourself- with knowledge! Nathan Damigo is a well-known white supremacist who was dishonorably discharged from the military after he chased down and robbed a cab driver at gunpoint for "looking Iraqi" in 2007. He served over 5 years in prison and was released in 2014. Since then, he has hosted an alt-right podcast and served as chairman in the extremist National Youth Front, a position he aquired after the previous chair was forced out by death threats over to his interracial marriage. He also founded the fascist group Identity Evropa (IE), which is based out of Oakdale as Damigo is majoring in social sciences at the nearby CSU Stanislaus.

**Keep racism off our streets and out of our schools!**

An IE poster. Makes great kindling!
